

National Federation of Fishermen's Organisations (NFFO)

Official Year Book and Diary - 2010

The NFFO Year Book and Diary is an indispensable reference source (500+ pages) for fishermen in England, Wales and Northern Ireland, the Channel Isles and the Isle of Man and includes UK and European fisheries legislation, training and health and safety advice.

All members of the NFFO receive a copy and it is also distributed at onshore contact points such as vessel agents, harbour offices, merchants etc.

Advertising space within the 2010 edition can now be reserved in a variety of formats.
